AI Insights

Significant Expense Outflow

Your expenses significantly exceed your income, resulting in a substantial deficit. It's crucial to investigate the 'Uncategorized' expenses immediately to understand where your money is going and identify areas for reduction.

Negative Savings Rate

Your savings rate is deeply negative, indicating you are spending far more than you earn and depleting existing funds. Prioritize creating a budget and cutting non-essential spending to reverse this trend.

Categorize All Expenses

The overwhelming majority of your spending is uncategorized. Implementing expense tracking and categorization will provide clarity on spending habits and enable informed financial decisions.

Urgent Need for Budgeting

A clear and realistic budget is essential to manage your finances effectively and prevent further deficits. Focus on aligning your spending with your income to achieve financial stability.
