## AI Insights

### Significant Expense Outflow

Your expenses significantly exceed your income, resulting in a substantial deficit; focus on identifying and reducing your spending immediately.

### Uncategorized Spending Dominance

The vast majority of your expenses are uncategorized, making it impossible to pinpoint where your money is going; categorize all transactions to gain control.

### Negative Savings Rate

Your savings rate is deeply negative, indicating you are spending far more than you earn; prioritize cutting expenses to achieve a positive savings rate.

### Income vs. Expense Discrepancy

There is a large gap between your income and expenses, suggesting a need to either increase income or drastically decrease spending to achieve financial stability.
