* "Good You" spends 10% less. "Bad You" spends 10% more. Projections are linear estimates.

AI Insights

Significant Spending Deficit

Your expenses significantly exceed your income, resulting in a substantial deficit that needs immediate attention to avoid further financial strain.

Uncategorized Expenses

All of your expenses are uncategorized, making it impossible to identify where your money is going and hindering your ability to make informed spending decisions.

Negative Savings Rate

Your negative savings rate indicates that you are not saving any money and are instead depleting your existing funds, which is unsustainable in the long term.

Categorize Your Spending

Implement a system to categorize all your expenses to understand your spending habits and identify areas for potential reduction.

Develop a Budget

Create a detailed budget that aligns your spending with your income to work towards a positive surplus and improve your savings rate.
